# Pocono Mountain Regional Emergency Medical Services

*PMREMS would like to thank all the community members that supported us last year. Your membership and donations make a difference.*

No one expects to have to call 911 for a medical emergency, but accidents happen and PMREMS is there 24/7 to serve the community. Through your donations it makes it possible to have the absolute highest qualified personnel and equipment. PMREMS is a non-profit organization that provides ALS (advanced life support) and BLS (basic life support) to a 125sq. mile coverage area, providing emergency services to the Townships of Tobyhanna, Coolbaugh, Tunkhannock and Mt. Pocono Boro with approximately 5400 dispatches in 2008. The increase in call volume each year places a toll on the equipment and many miles on the ambulances. PMREMS needs your continued support to enable us to keep up on the maintenance and purchasing of new cutting edge equipment.

**PMREMS mails out 26,000 subscriptions and only receives back 3,000. We are calling on our community to help us help you.**

## Subscription

Our subscription rate for 2009-2010 is \$55.00 per household, and the coverage is active June 1, 2009 through May 31, 2010. This coverage entitles your household to receive unlimited medically necessary ambulance transports without having to pay the charges not covered by your insurance.

PMREMS will bill your insurance company directly; including subscribers, the Subscribers ***will not*** be responsible for any remaining balance such as co-pays and deductibles which can be hundreds of dollars. Non-Subscribers ***will be*** billed for the portion not covered by insurance. This membership is worth the \$55.00 to all Medicare patients, Medicare only pays 80% of the bill and patients are left with the remaining balance.

PMREMS will honor all neighboring services subscription agreements should you need medically necessary ambulance transport.

Should you have any questions about the subscription or EMS services please contact the office (570) 839-8485.
